Are you looking for something to read, watch, or listen to? Are you interested in taking a free class? Stay entertained and informed with eBooks, movies, and more on the KCLS website.

1. Open a browser, such as Google Chrome, Firefox, or Edge.

2. In the search bar at the top, type KCLS.

4. Click **Online Library** on the menu across the top of the page.

### Access Online Materials

1. From the Online Library menu, choose a library resource format (Movies and TV, Music, etc.). There are many options. You can read or listen to a book, listen to music, watch a movie or documentary, search ancestry websites, take a class, view newspapers and magazines, and much more. There are over 60 databases with a lot of information.

For example, if you would like to listen to an audiobook, click Audiobooks.

	Music	Science and Health		
	Streaming			

2. Click on the program you would like to use (Libby, OverDrive, RBdigital). This will take you to a new webpage. Depending on your selection and device you are reading on, you may need to download an app or have an additional account. For example, you will need an Amazon account to download books from OverDrive onto a Kindle.
