

LOOK UP A BUS ROUTE

1. Open a browser, such as Google Chrome, Firefox, or Edge.

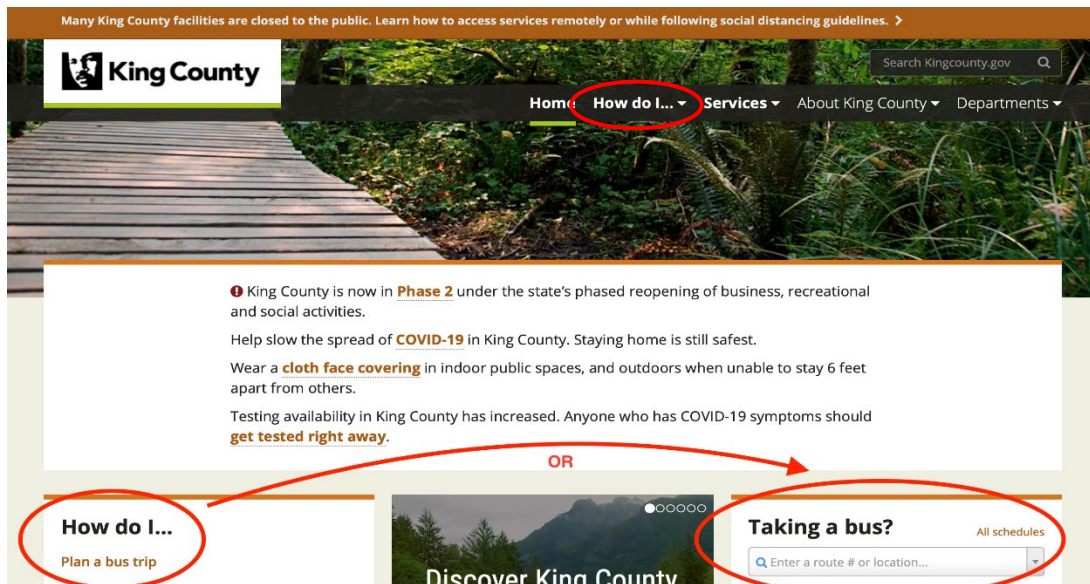

2. In the search bar at the top, type www.kingcounty.gov.

3. Choose one of the following three options:

- How do I... tab on top of main screen choosing **Plan a bus trip** or
- How do I... box on lower left of screen choosing **Plan a bus trip** or
- **Taking a bus?** box is on lower right of screen. **Enter a route # or location** or click on **All Schedules** to see a list of all bus schedules by bus number.

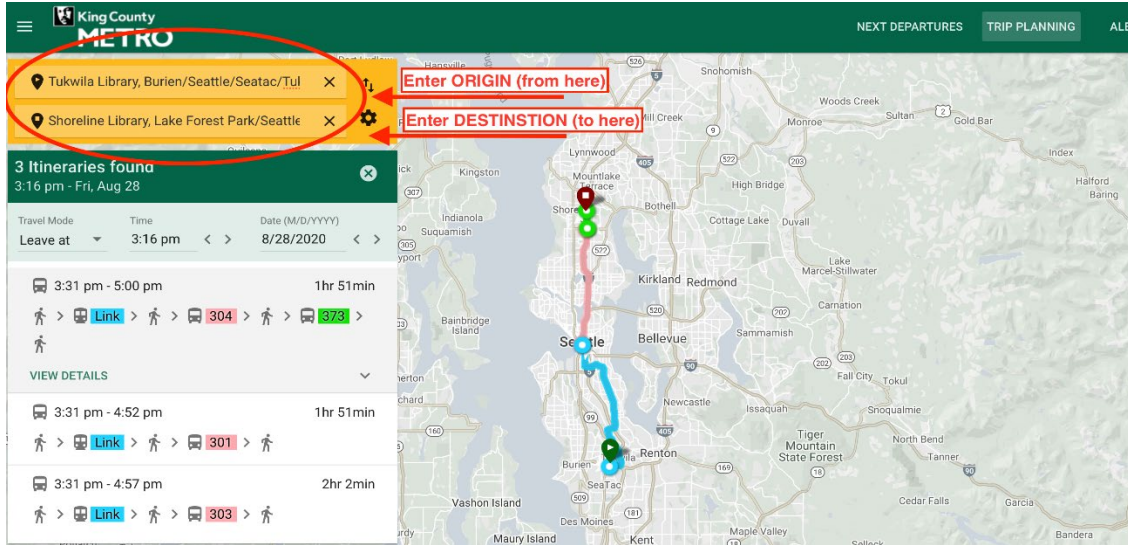

Option 1: **Plan a bus trip**

1. In the yellow box that says ORIGIN type where you are travelling from (example: Tukwila Library).

2. Directly below where it says DESTINATION type where you are travelling to (example: Shoreline Library).

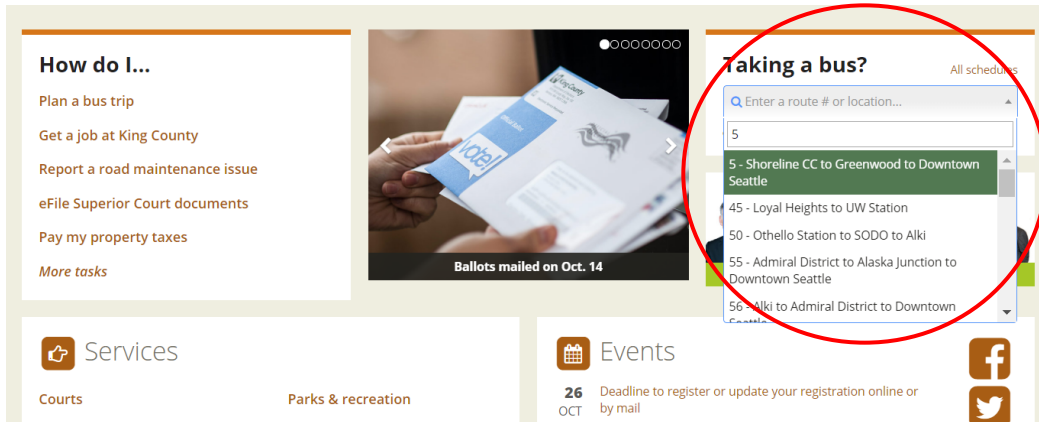

3. Press 'enter' on the keyboard and route instructions (itineraries) will populate and be shown on the map. Click on **VIEW DETAILS** to show itinerary details and route options such as number of bus changes and length of time travelling. Each part of route is colored to match the bus number it refers to. Parts where you must walk to next pickup location are marked with a picture of a walking person. You can print this out or if using a smart phone, you can screenshot the image to reference in the future.

Option 2: Taking a bus?

1. If you know what route you want to take you can click on the search box below **Taking a bus?** and enter the route number or the location, or select it from the dropdown menu. You will be able to see the schedule for that route. There are tabs you can click on for the day of the week you want to travel.
